

## **EOD049                      EMERGENCY MINE EXTRACTION KIT**

**The Emergency Mine Extraction Kit contains the necessary equipment to allow the user to conduct an emergency extraction from a mine strike incident day or night.**

The kit is designed to be carried by individuals operating or travelling in areas where there is known to be a land mine threat. The kit can also be used to mark the location of items of UXO that may be encountered.

The contents of the kit adhere to the principles taught by the military and NGO centres for actions on Mine Strike, being:

### **LOOK, FEEL, PROD, MARK, AVOID, MOVE ON**

The kit is supplied in a nylon pouch which can be carried on a belt/webbing, filed jacket or day pack.

Contents:

- Nylon Pouch
- Compact Mine Prodder (also available as a separate item)
- Marking Flags
- Lightsticks
- Warning Tape
- Landmine Safety Seeker Book
